

# Good Agricultural Practices & Good Handling Practices Workshop

.....

This workshop addresses common issues that growers face when trying to tackle the supply chain and can help you learn the steps and strategies to safely getting your fresh local product to regional grocery stores and the wholesale distributors that service them.

**April 2, 2009; 9 a.m. to 3 p.m.**

Southwest Michigan Research and  
Extension Center (SWMREC)  
1791 Hillandale Rd  
Benton Harbor, MI 49022

*The cost to attend is \$15 if you pre-register or \$20 at the door, but the value is more than \$100 per person, so don't miss it!*

*Lunch will be provided, and each participant will receive the "Wholesale Success: A Farmer's Guide to Selling, Post-Harvest Handling and Packing Produce" Manual.*

Contact SWMREC to RSVP at 269-944-1477 x 207 or by e-mail to [goldy@msu.edu](mailto:goldy@msu.edu). Space is limited, so please RSVP and register for these workshops by March 31. Make checks payable to Michigan State University and send to SWMREC, Attn. Ron Goldy, 1791 Hillandale Rd., Benton Harbor, MI 49022.

Sponsors include: Michigan Food & Farming Systems-MIFFS, the USDA Farm Service Agency (FSA), the Southwest Michigan Research and Extension Center (SWMREC), the Michigan Agricultural Experiment Station (MAES) and Michigan State University Extension (MSUE).
