USDA Risk Management Agency

The Farm Research Cooperative in partnership with the United States Department of Agriculture Risk Management Agency present the 5th annual

Farm Research Cooperative

## “New Times, New Opportunities”

January 19, 2008

8 a.m. to 5 p.m.

Lakeview High School  
15060 Helmer Road South  
Battle Creek, MI 49015

This year's keynote speaker will be **David Kline**, author of "Great Possessions: An Amish Farmer's Journal"

Join us to discuss issues facing limited resource farmers and the family farm and learn about government programs to help farmers, environmental stewardship, marketing tactics, alternative energy, value-added production practices, and more!

For more information, contact Barbara Norman at (269) 208-4588 or the MIFFS Office at (517) 432-0712, [miffs@msu.edu](mailto:miffs@msu.edu). You can also visit [www.miffs.org](http://www.miffs.org) to read more about this year's conference and successes of past years.
