"Holding on to Good Food, Good Families and Good Farms"

SAVE THE DATE! Join us for the 7th annual **Michigan Family Farms Conference** on Saturday, January 16, 2010 at Lakeview High School in Battle Creek to discuss challenges and growth opportunities for small and limited resource family farms. Connect with other growers and great resources, network, and learn about organic and specialty crop production, high tech marketing, high tunnels, entrepreneurship, food safety, crop pollination, grass-based dairies, and much more!

This year's keynote speaker is **Corey Flournoy**, the first ever non-rural, African-American National FFA President (past), who will share his experience and mission to help youth and adults *seek, discover and capitalize on* the creative elements of success to make a positive contribution to our world.
